Building Community, Expanding Impact

A Message from Our CEO Cherly Clark

As we move into the summer season, I want to thank our community, partners, volunteers, and supporters for helping Clark Community Development continue its mission of serving those in need.

This year has already brought meaningful growth and new opportunities to connect individuals and families with vital resources, education, healthcare access, and supportive services. We are especially excited about the progress toward opening our new Resource Center, which will allow us to expand our impact and better serve our community.

Every event attended, every partnership formed, and every life touched is a reminder that real change happens when communities come together. Thank you for being part of this journey with us.

"Great teams don't just reach goals. They set new standards."

Resource Center Construction Update

This Image: Concept Art of future CCD & Renewed Horizons Signage.

Exciting progress is underway! The drywall has been installed, and we are just weeks away from completing the final stages of our new Community Resource & Support Center. We look forward to opening our doors and expanding our ability to serve the community.

CCD by the Numbers

We've served hundreds of community members → demand is growing → the new Resource Center will help us serve even more.

Since January 2026, Clark Community Development has continued expanding its community outreach and service connections.

594 Clients Served

841 Healthcare Encounters Facilitated

12 Community Events Hosted & Attended

60 Communities Represented Across Southern California

Coming Soon: Classes & Workshops at Our New Resource Center

As we prepare to open our new Resource Center, we are excited to launch a variety of educational classes and community workshops designed to support individuals and families on their journey toward personal growth and success. Planned offerings include Parenting Guidance, Mental Health Awareness, Anger Management, Domestic Violence Prevention, and Healthy Cooking Demonstrations. These programs will provide valuable tools, resources, and practical skills in a welcoming and supportive environment. Stay tuned for registration details, class schedules, and additional workshops as we continue expanding services for our community.

Summer is Here!
Upcoming Events

We have an exciting lineup of events scheduled for when the resource center officially opens its doors.

- Food Drive
- Back to School Backpack Giveaway
